## Daily Morning steam bath (or Health bath):

OPEN FROM 7:30 - 11:00 AM.

## Restaurant-Cafe

We have a nice cafe on the top of the roof of this hotel, where

we serve breakfast from 7:30 AM to 11:30 AM. The cafeteria area is also available all days as a social area.

In the afternoon, from 4 PM hot water, tea, coffee, chocolate and milk as well as a refrigerator with beer and "colas" are available. Serve yourself, but please note in the book table beside the central chimney, your name, room number, and what you get each time. You can pay for these items at the end of your stay.

There is a national newspaper for you to read and practice your Spanish.

A selection of board games, books and magazines are available for your enjoyment. Please feel free to increase our culture section.

The café and the terrace close definitely at 10:30 PM. After this time, if you would like to have a drink to take to your room, please just ask the guard to note it in the book.

## Laundry service

If you really want to wash your clothes by yourself, you may do so between 3:00 PM - 6:00 PM Please contact front desk first. Please do not wash clothes in your room.

## Free Internet Service

Guests are allowed to use our internet service for free. You can make your reservation in advance at the internet

room or use it straight away for half an hour, if a computer is free.

## Telephone and fax

You can make national or international phone calls.

International calls: we have good rates for calling or sending faxes by the minute. Call home (give us country code, city code and number) and tell them our phone number, then you

can receive calls back for free.

Our telephone number is :

Country code - City number - Number

00593 - 3 - 2740830 & 2742725

Before making a call, please ask for the information sheet and rates.

Note: When you are expecting a call, please stay by the phone we have one at the reception and at the café). Our Spanish speaking employees cannot take messages!

## Security

As we share your concern for your possessions, entry to the hotel is restricted to you and your friends. For this reason the front door always remains locked. Please use the key provided for the front door instead of ringing. (Please keep valuables on your person.)

For your security, we have a guard during all night.

## Cleanliness

Unless you tell us otherwise, your room will be cleaned every day, your bed made and a fresh towel and toilet paper provided. The sheets will be changed every three days.

## Hot water

Is available constantly. For hot showers, turn the red handle and let the water run at full force for a few minutes.

## Payment for your accommodation

Please pay on departure (cashier only available 8:00AM - 9:00

PM). All taxes are included.

## Left luggage

Free facilities are available on request.

## Video Rental

Check information on the cafeteria. We have very good films in English and in French. Also very interesting documentaries about Ecuador and others places!
